

A ROOF

IS THE MOST IMPORTANT
LINE OF DEFENSE BETWEEN
A HOME AND THE ELEMENTS.

Especially in the Flathead Valley where the winters can be tough.

Here at Skyline metal roofing products we manufacture top quality metal roofs that are built to last. We are committed to producing a superior product and providing excellence in customer service. We believe that satisfied customers are our best advertising.

Our roof systems are covered by a 40 year paint warranty and meet energy star cool roof certifications. We sell direct to roofing contractors and homeowners.

Metal offers many advantages over other roofing materials. To name a few, our metal roofing is fireproof, 100% recyclable, energy efficient and lasts much longer than traditional asphalt shingles.
